

## 2021-2022 School Year Art Contest Rules

**Who can enter? All students PK- 5th grade in the City of Memphis limits, homeschool, private, or SCS!**

- 💧 Art must be landscape orientation, minimum size 11 x 8-1/2 (17 x 11 preferred).
- 💧 Art must show pollution entering a named Memphis waterbody and/or the storm water drainage system.
- 💧 Art must include a new downstream friend for Gurgle native to the Memphis area.
- 💧 Art must include the following information on a card attached to the back of the art: student's name, grade, parent and teacher contact info, the name and species of the downstream friend, and the Memphis waterbody.
- 💧 Art must be mailed to 245 Bass Pro Drive Memphis, TN 38103 or emailed to MemphisStormWater.com (with the above information in the email message) by the **deadline- Friday February 25, 2022.**

The artwork will be judged on factual content, legibility, creativity, and subject matter. Students should do their own artwork. There is one winner for the PK- 2nd grade group and one winner for the 3rd-5th grade group.

Artwork must be original and must not violate any US copyright law. Any art medium is acceptable. By submitting artwork, the artist grants The City of Memphis Storm Water Department permission to reproduce and display the artwork and character or any variation for use to prevent storm water pollution prevention.

**Each winner will have their artwork publicized in Jabberblabber Magazine, LaPrensa Magazine, and on a billboard! The winning characters can also be featured in a new comic strip and the winning students could be in future storm water pollution awareness commercials and other types of advertisements! All completed entries will receive recognition, so check the rules above and finish coloring or shading before submitting!**

**Check out our past winners, all the comic strips, and all the commercials on MemphisStormWater.com!**
