

Sip & Serve

A DOWNTOWN LITTER CLEANUP SERIES

Presented by:

We're calling on our residents and business community to help us remove litter from our streets. If you're looking for a fun service opportunity that you can do with your family and friends, this might be for you. We'll start with a litter pickup, led by Clean Memphis and end with a Happy Hour hosted at one of our brewery and distillery locations. The first drink is on us!
